April 23, 2021

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the City of College Place Mojonner Road project in surface transportation reauthorization legislation.

The project sponsor for this project is the City of College and the project is located at 625 S College Ave, College Place, WA 99324.

The funding is designated for the development of Mojonner Road from a rural arterial to a urban developed roadway.

The project is an appropriate use of taxpayer dollars and is anticipated to benefit the City of College Place as it is a key east-west Federally designated arterial across southern Walla Walla County connecting key assets in College Place with surrounding agricultural areas. Projects include two 12" traffic lanes, bike lanes, and sidewalks for students to be able to reach the three different schools located along the road. This project will also include street lighting improvement projects as well as the development of water, wastewater, and stormwater infrastructure.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Cathy McMorris Rodgers
Member of Congress
